Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants' representative had phoned the examiner saying that he thought his response to the 112, 1st paragraph rejection was responsive. The examiner agreed he would accept such an assertion in reply to the non-responsive. The examiner also mentioned to applicants' representative that there was apparently an inadvertent mistake in claims 4 and 5 which now depended from a cancelled claim. Applicants' representative said he would correct the problem with claims 4 and 5.
